

Editor's Note:

Happy New Year! 2026 has arrived. Last year the 12 steps were the monthly topic. This year the Traditions, will take a month each. Also for a couple months, read how "The Action District" was started, written by Larry H (District 29 Archivist at the time) it's on page 26. Tradition One: Everyone in the group should thrive and with AA unity. Because we don't do this alone.

Hello to All in District 29 and Happy New Year!

Getting started this new year. Mary and I had a few extra days this month. For us when the second Tuesday falls a little later in the month, there is a bit more of breathing room to put all this information together for ya all! For me the New Year rings in having more gratitude for the fellowship, knowing you shape my sobriety. And I want to thank you for that! *Thank you for allowing me to share and be of service, Grace C*

DISTRICT COMMITTEE MEMBER DCM & Alt DCM REPORTS

DCM

Greetings District 29,

We seemed to have survived the weather and got off relatively light compared to some districts in the Area. I look forward to attending the area quarterly the first weekend in January. I will be participating in the Area inventory, something I've never done before. The district has completed its budget for 2026. I will send that out with the meeting packet. We still have a few open service positions and I ask that GSR's and Trusted Servants help me recruit into these positions. The open positions are in the Action Log. Anyone interested can contact me directly with questions. Happy New Year to all. It will be nice not to have to deal with fireworks for another six months.

Happy New Years to you all!

I am excited to go to Quarterlies this year, looking forward to the travel. Then I love seeing what's with all the committee's Trusted Servants and GSRs. Also after doing the District inventory, I'm hopeful we will have a better understanding of how we work together and continue to make service available to all! If you have any questions please come up and say "Hi."

GSR Preamble

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.

We realize the ultimate authority is a loving God as He may express Himself in our Group Conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship.

Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our group and A.A. as a whole.

December 2025 District 29 Archivist Monthly Report

District 29 Archives
Happy New years!! 2026

We have our first Quarterly on Feb. 7th 2026 with District 14 in West Seattle.

We purchased our dolly for the storage unit and will be getting the new shelves also. We will be taking these and the new given archival material to the storage unit as weather improves. We hope to get storage better organized during spring this year. We need to take a couple of larger pieces the old file cabinet and archaic table to the dump. We have a blue pamphlet display rack available in our storage if anyone needs it.

Hello District 29 Family,

This is Alana W, your District 29 Trusted Servant for Third Legacy. Carol J and I are very excited to serve our groups. We believe that our presentations could spark an interest at both levels when we see others actively serving.

We would like to come to your Business, Birthday or Regular meeting to talk about service. Each standing committee will share briefly about their position, and how service has impacted their sobriety.

We look forward to meeting new groups and our calendar is open for the next few months.

Step 1

We admitted we were powerless over alcohol - that our lives had become unmanageable.

Tradition 1

Our common welfare should come first; personal recovery depends upon A.A. unity

Concept 1

Final responsibility and ultimate authority for A.A. World Services should always reside in the collective conscience of our whole Fellowship.

Principle 1

Honesty

37TH INTERNATIONAL A.A. MEN'S CONFERENCE (IAAMC)

APRIL 10 – 12, 2026

MIRACLES IN PROGRESS

HILTON SEATTLE AIRPORT AND CONFERENCE CENTER

17620 INTERNATIONAL BLVD, SEATTLE, WA 98188

Deadline for pre-registration is March 31, 2026

In April 1986, four men discussed the idea of holding a National AA Men's Conference after hearing from some AA women about how successful their Women's Conference was every year. Ted H. was contacted by Sam L., Demers, Sam W., and Mike F. to collaborate. The men met at Ted's home in Cleveland, Ohio, to devise a plan of action.

Letters were sent out to the Cleveland AA community, inviting them to participate in the planning of the conference. A meeting was held in response, and a committee was formed to raise funds. The men set a fundraising goal of \$1,500. Through raffles, picnics, dances, and out-of-pocket donations, they successfully raised the seed money needed to hold the first conference.

Since then, 36 cities have hosted the International AA Men's Conference. The 37th Annual 3-Day International AA Men's Conference will be held in Seattle, Washington, from April 10 to 12, 2026. We hope to see you there!

Tradition 1: "Our common welfare should come first; personal recovery depends on A.A. unity."

Most of us have thought at one point "I may be drinking and partying too much." I will slow down or quit for a while, then with a little effort I should be able to moderate my intake. For some that might work. Not for me, not on my own, I am powerless. Treatment did a good job of keeping me dry. Teaching me the basics of alcoholism and some tricks to stay away from drinking. Upon leaving treatment I went back to where I started, on my own and powerless. And back to drinking. It wasn't until became an active member of Alcoholics Anonymous that I learned the true power of sharing and listening to others. It did me no good to sit and observe, I had to be involved. Groups are a vital key to my personal recovery, to keep the groups alive sometimes I need to put my own wants second to the needs of the whole. Alcoholics Anonymous is only as strong as the groups, and the principles that guide fellowship as a whole. Thoughts and opinions are those of the author and not intended to reflect anything else.

For a number of years the District 29 Picnic Committee has annually awarded a roving (the group gets it for one year) plaque to the group whose raffle donation has generated the most interest. This is measured by the number of tickets placed in the "hat" (that looks like a paper bag). In July 2025, that plaque went to the Seeking Our Solutions group in Puyallup, they now proudly display it at their meeting every Saturday morning at 8:00 am. Not to be outdone, using the same criteria as the picnic, this year's Gratitude Banquet Committee handed out the first ever, highly coveted, 'Certificate of Interest Award.' This award every year will stay with the group. An unique award will be made every year for that event. The first one ever has been awarded to the Out to Lunch Bunch meeting in Sumner. It is proudly displayed each Tues, Thurs, and Sat. at noon. We thank you for your contribution.

We need help with - what to call this award?

Suggestions so far:

Most Desired, Most Popular,
Most Interest, Most Sought-after,
Most Wanted, Most Tickets,
Most Coveted

Or do we keep it 'Certificate of Interest Award'

or let us know your thoughts.

District 29

February 2020

In the Beginning

District 29 is located in the greater Puyallup Valley area and is primarily rural with connecting small towns. It was out of a need for closer unity with each other that the idea of forming a new district was discussed.

In March 1981, a meeting was held in Puyallup, WA. with district 9. Each group signed a statement stating their desire to be part of a new district, which at that time, would be called district 9-A. On April 22nd, 1981, Bill R. also known as "Whiskey Bill," called to order, the first structured meeting of the new district in the Orting Fireside Hall. On June 16th, 1981, the Washington Area Delegate (Dick P.) announced that he had requested the number 29 for this new district, and that this would be confirmed at the next Washington Area Assembly in October.

In September 1981, the basement of the McMillan Grange was rented and after a lot of hard work, this new facility was made ready for use as the new District 29 office, where they would conduct business until 1994, when the district office was relocated to downtown Puyallup in the Campfire Girls building. This facility was in an alley near 5th and Pioneer. In 2009 the district office was moved once again, to its current location at the Puyallup Elks Club, located at 314 27th St NE Puyallup, WA. *Moved from the Elks winter of March 2024 when pipes froze. At first we thought the move was temporary, to Sumner First Christian Church, 432 Wood Ave, Sumner, but Jan 2026 still here.

At the time, area 72 covered all of Washington State until it was voted at the 1995 Area Assembly to form two areas with the dividing line to run down the center of the Cascade mountain range. This would form what we now know as, the Western Washington Area 72, along with the Eastern Washington Area 92. In 1996 District 29 hosted the first ever Western Washington Area 72 Assembly at the Executive Inn in Fife, WA. Ten years later, (in 2006) the district would once again, host the Assembly at the Bi-Centennial Pavilion in Tacoma, WA. During this same time period, District 29 started a grass roots campaign that would ultimately restructure the Area 72 Pre-Conference Assembly format, from one of merely listening to the delegate reciting conference agenda items, to one of actually interacting with the delegate, so he or she would carry a sense of the groups back to the General Service Conference. Also District 29 did the same thing to help put into place the WWA 72 Third Legacy Committee, helping members understand the value of service work. In those early days, the fledgling district worked hard to establish itself, and the hope then, was to see it grow and thrive. Well, it has certainly lived up to that. What those early pioneers couldn't have imagined however, is the level at which our members would step to the plate to insure our place in history. The enthusiasm and love for our way of life has continued throughout the years, and District 29 has earned its reputation as the "Action District."
